

Yellowstone Valley Gives - 3/9/2017
General information for Nonprofits and Sponsors

Greetings,

This note is being sent to nonprofits currently registered for Yellowstone Valley Gives, previous participants and the BCF Board. First I want to welcome all those who have registered and remind you to finish providing your bank account and other information to complete your profile. The bank info is needed to allow the direct distribution of donations. About half of the 42 that have registered are not yet ready to receive donations.

I also am writing to let you all know about the Webinar offered next Thursday, March 16th between 1pm and 2pm on "Storytelling and Marketing". You can use the following link to register to participate in the Webinar: <https://attendee.gotowebinar.com/register/872164889526837761>

We are off to a good start and we hope that you will help us spread the word so that we can reach our goal of 75 participants by the April 10th deadline. More information about what will be happening on May 4th can be found on the "YVG Bulletin Board" which can be found at the following web address or by following the links on the BCF home page: <http://bcfpages.homestead.com/2017updates.html> This page will be updated as we approach May 4th.

Finally, you can see the current list of Event and Prize Sponsors by scrolling down to the bottom of the main Yellowstone Valley Gives webpage found at: <https://www.yellowstonegives.org/> These Sponsors provide the funds for Prizes and "Sharing Pool" distributions. Please give them your thanks and let us know if you know any individual or business that might like to be a Sponsor. Last year Sponsors assisted 61 nonprofits and their supporters
