Opportunities are limited and interested nonprofit will be selected by focus area.

The Billings Community Foundation's Yellowstone Valley Giving Day is a powerful 24+ hour online and on-site live celebration of giving, focused on connecting community members with area nonprofits!

We are reinforcing the value of philanthropic giving, encouraging community engagement, and strengthening collaborative impact for the benefit of the Greater Yellowstone Valley Region of Montana!

Last year, our community experienced an unprecedented level of giving as 104 nonprofits came together to raise over \$163,000 in 24+ hours - that was more than 1,200 gifts! Better still, Yellowstone Valley Gives DOUBLED the amount raised in previous years, and donors provided significant funding to nonprofits in support of their missions and critical programming needs!

INCLUDE - INSPIRE - INVEST

Our 2019 goal is to:

INCLUDE 115 Nonprofit Participants

INSPIRE 1,000 Donors to Give

INVEST \$200,000 in the Community
