

***Largest gift in history of Billings Community Foundation given to the Parmly Billings Library for new library campaign***

Thomas and Amoretta Wilkins lived in Billings most of their lives. They loved this city! And because of their love and appreciation for a city they called home, upon their death they left a portion of their assets with the Billings Community Foundation to be used for bricks and mortar projects that would continue to benefit this city long after they were gone.

What better use of such a generous gift than to help build a new Library in Billings, MT. A place for the young and the old. A place to research, learn, grow, discover or relax with a good book. An extension of Billings vast educational institutions.

The Billings Community Foundation, on behalf of Thomas and Amoretta Wilkins, is proud to support the "*Our City... Our Future... Your Legacy*" capital campaign for the new Parmly Billings Library. We know that Tom and Amo would be pleased.

## **Billings Community Foundation receives two grants from Foundation for Community Vitality**

**We wish to thank Foundation for Community Vitality for their support of BCF in our continued effort to enhance the capacity of donors and charitable organizations to meet the needs of the greater Billings community and surrounding area. The first grant was to help fund our Awards Banquet in June. This year at the Awards Banquet the Billings Community Foundation presented \$10,000.00 in grant dollars to 11 non-profit organizations. The second grant is for the management of the Building Partnerships program, a coalition of local community foundations in Eastern Montana.**
