A Night To Remember

One must experience
opera! It is a culmination
of singing, orchestral
music, chorus work,
theatrical stagecraft,
costuming and dance.
Opera is not only
entertaining, it can be
passionate and riveting.

Rimrock Opera was
founded in 1999.
Many touring opera's had
passed through Billings;
however, it was not until
1999 that Billings became
home to one of the Northwest's best opera venues.

Dr. Clayton McCracken and his wife, Joan, were
enthusiastic about Rimrock Opera from the beginning.
They had loved opera for years and now they had a
local production. Joan says "The opera moves the
culture of the city up a notch. It helps Billings become
the cultural center of the area".

And it is because of this passion that Clayton and Joan
decided it was time to create an endowment for the long
term stability of Rimrock Opera. They began to invest
in what they are passionate about!

Lucinda Butler, President, Rimrock Opera, was thrilled to
hear the news! She said Clayton and Joan have been
long time supporters of the opera in Billings and this
generous gift was typical of their involvement.
